Costs to Attend

People attending an online event shouldn't incur the same sorts of costs as for attending a physical event. However, if you will need to pay for something or someone to help you to participate in this online event or you couldn't otherwise attend, you can claim reasonable costs from Inclusion Scotland.

Receipts must be provided.

If you would like to claim for something so you can attend and participate in the event, please tell us about it and we can then send you an expense claims form to return to us. Please contact Janice on 0131 370 6725 for this.

How much do you think it would cost?

Thank you!

We look forward to seeing you on 26th November
